Dear Sir,

Applicant hereby respectfully requests one month extension of time for the above-identified application (hereinafter "the parent application"). On September 19, 2005, a continuation-in-part application (CIP) numbered 11/162,654 was successfully filed under 37 CFR 1.53 (b). Applicant decided not to file any response to the Ex Parte Quayle Action of June 17, 2005 in relation to the parent application after the CIP application is filed, but the parent application shall remain pending until the filing date of said CIP application is confirmed.

The initial due date of responding to said Action for the parent application was August 17, 2005. And the continuation-in-part application was filed on Monday, September 19, 2005. In accordance with 37 CFR 1.7, any action or fee due on Saturday is to be considered timely if the action is taken, or the fee paid, on the next succeeding day which is not a Saturday, Sunday, or a Federal holiday. Therefore, the filing of the continuation-in-part application shall be considered timely since the time period with one month extension for the parent application was due on September 17, 2005, which was Saturday.

Please kindly charge one month extension fee in the amount of \$120.00 under 37 CFR 1.17 to our Deposit Account No. 50-2620 (Order No.: 13540-US-PA). If the payment is not fully covered, the Commissioner is authorized to charge any required fees to our Deposit Account No. 50-2620 (Order No.: 13540-US-PA).
